

Turtle[®] Mat

EST. 1994

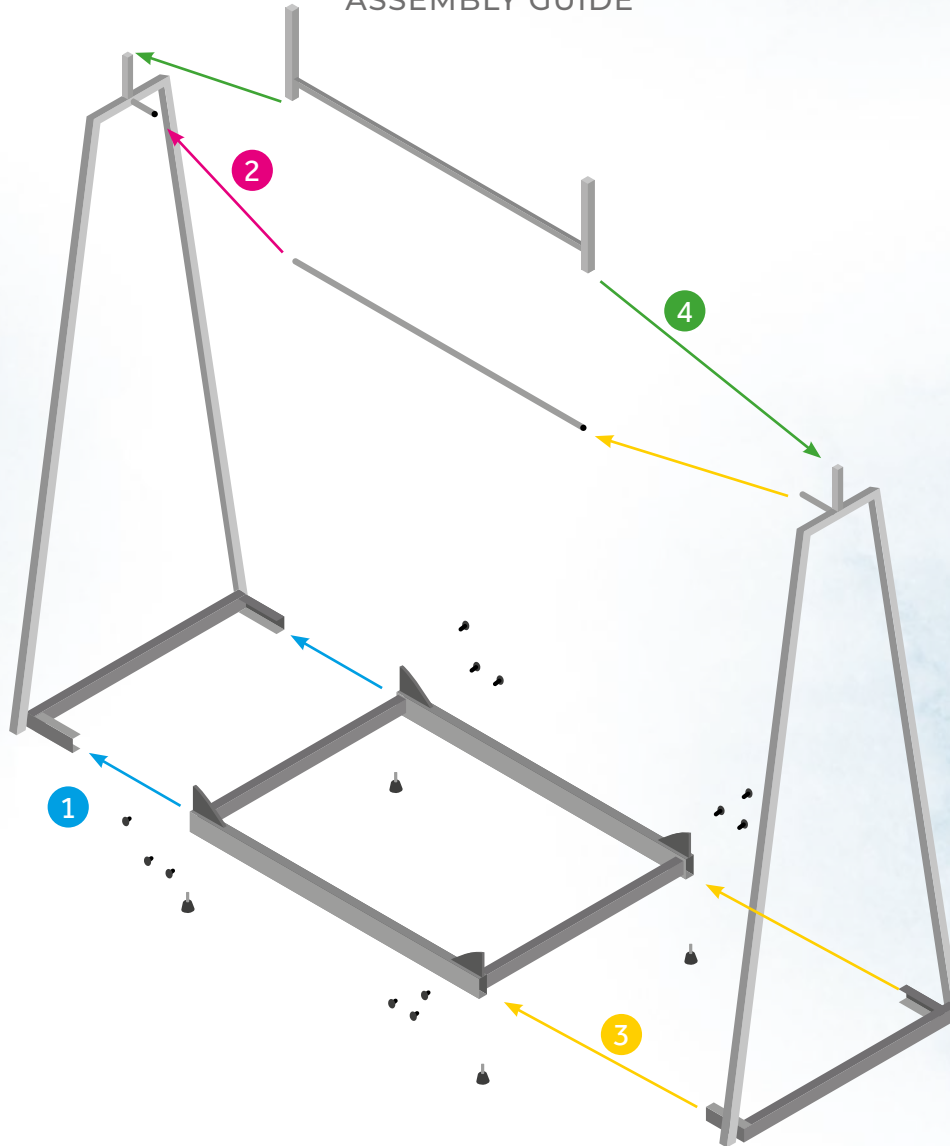

Apex Stand

Showcase an assortment of Turtle Mat products with different lengths in your store that your customers can easily browse through.

ASSEMBLY GUIDE

- 1** Take one end panel and slot the base section on to the spigots as shown. Use 3 x bolts per side to fix into place.
- 2** Slot the round tube hanging rail onto the upper spigot as shown.
- 3** Carefully line up the second side panel with the base AND the hanging rail. Push evenly so that all tubes locate at the same time. Fix the lower brackets to the base using the bolts supplied.
- 4** Slot the header frame onto the top of the side frames as shown.
- 5** Using the push tabs, line up and secure the printed side panels to the side frames. Drop the header board into place.
