## Apex Stand

Showcase an assortment of Turtle Mat products with varying lengths in your store that your customers can easily browse through.

## DIMENSIONS

- 1 Take one end panel and slot the base section on to the spigots as shown. Use 3 x bolts per side to fix into place.
- 2 Slot the round tube hanging rail onto the upper spigot as shown.
- 3 Carefully line up the second side panel with the base AND the hanging rail. Push evenly so that all tubes locate at the same time. Fix the lower brackets to the base using the bolts supplied.
- 4 Slot the header frame onto the top of the side frames as shown.
- 5 Using the push tabs, line up and secure the printed side panels to the side frames. Drop the header board into place.

**Free Rental:** Kleen-Tex Limited offers merchandising stands for free rental during the period of active collaboration.

**Order Requirement:** The merchandising stand is available only with orders exceeding £550 (GBP). A maximum of two stands will be provided per active Retail Partner.

**Product Display:** To ensure clarity in the marketing message, only Turtle Mats products are permitted to be displayed on the merchandising stand. This restriction helps avoid confusion for both sales staff and customers.

**Ownership:** The merchandising stand remains the property of Kleen-Tex Ltd. Should the Retail Partner cease trading with Kleen-Tex Ltd or fail to place an order for a period exceeding 12 months, the stand must be returned.

**Return Policy:** The cost of returning the merchandising stand is the responsibility of the Retail Partner. Should the Retail Partner be unable to organise the return independently, our Customer Service team is available to assist with transport arrangements
