## Or Create Your Own Play Mat Designs:

Personalise your play areas by designing custom mats that reflect your institution's spirit and creativity. With a standard palette of 66 colours and the ability to match special shades like HKS, Pantone, and RAL or achieve photorealistic printing with RGB1998, the possibilities for your custom play mat designs are endless. Unleash your creativity and craft unique mats that perfectly align with your institution's identity.

### Jet-Print Light Product Information:

- **Surface:** 100% high-twist nylon
- **Backing:** 100% nitrile rubber
- **Certifications:** Oekotex certified
- **Features:** Slip resistant rubber backing ensures stability during play

Bring joy and excitement into your classrooms with our versatile Play Mats. Perfect for schools, nurseries, and daycare centres!

# Functional Matting

## Discover Our High-Quality Functional Mats for Every Need

Our range of standard mats is designed to meet diverse requirements while ensuring durability and performance. These mats are perfect for maintaining cleanliness and safety in educational institutions.

### Key Features:

- **High Dirt and Moisture Absorption:** Keep your facilities clean and dry with mats that effectively trap dirt and moisture.
- **Durable and Robust:** Built to withstand heavy use, our mats are ideal for high-traffic areas.
- **Suitable for Industrial Washing Services:** Easy maintenance with compatibility for industrial cleaning processes.
- **Slip Resistant Rubber Backing:** Ensures stability and safety on various floor surfaces.

### Example Products:

**Iron-Horse Eco:** Known for its exceptional durability, this mat is perfect for entrance areas where heavy foot traffic is common. It combines recycled materials with high-performance features.

**Green-Horse:** An environmentally conscious choice, this mat offers excellent moisture absorption while being made from recycled materials. Ideal for schools aiming to reduce their ecological footprint.

**Eco-Absorb:** Designed specifically for superior moisture management, this mat is perfect for wet areas or entrances exposed to the elements. Its robust construction ensures long-lasting performance.

Choose our functional mats to enhance the safety and cleanliness of your educational environment! Check our full range on [www.kleen-tex.co.uk](http://www.kleen-tex.co.uk) or scan the QR code:

## Practical Matting

### Enhance Your Educational Environment With Our Supportive Solutions

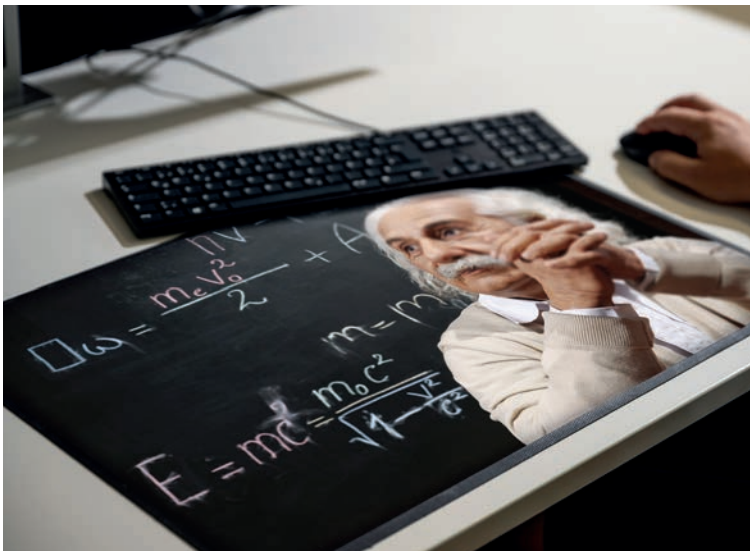

Discover additional products designed to ease your school or teaching routine, providing comfort and organization for educators and staff.

#### Classroom and Group Signage Mats:

**Flexible Placement:**

Use our signage mats to clearly mark classrooms or group areas. These mats are easily movable and can be placed wherever needed, providing a versatile solution for organising spaces within your school.

#### Desk Planner Mats:

**Organise Your Workspace:**

Keep your desk tidy and efficient with our practical desk planner mats. Perfect for teachers' desks or administrative offices, these mats can be customised to your preferences. Have them printed with educational content, shortcuts, motivational messages, or your institution's motto to inspire and assist throughout the day.

#### Anti-Fatigue Mats:

**Comfort During Long Hours:**

Our anti-fatigue mats provide essential support and comfort during extended periods of standing. Ideal for use at standing desks in staff rooms or libraries, these mats help reduce fatigue and improve productivity.
