

TECHNICAL SPECIFICATIONS

- Surface:** 85% recycled cotton / 15% viscose
- Corner Shape:** Square
- Backing:** 100% nitrile rubber backing (15% recycled content)
- Backing Type:** Studded multi-grip backing
- Total Height:** 9mm
- Total Weight:** 2240g/m² (+/- 3%)

SIZES AND WEIGHTS

- 40cm x 60cm ≈ 0.54kg
- 60cm x 85cm ≈ 1.15kg
- 75cm x 120cm ≈ 2.02kg
- 60cm x 180cm ≈ 2.42kg
- 75cm x 200cm ≈ 3.36kg

CARE

Before first use, please Hoover and wash your Turtle Mat Design doormat at 40°C using a colour kind, non-biological detergent without bleaching agents/optical brighteners. Do not use fabric conditioner or a combined detergent and conditioner as this will reduce the dirt trapping performance of your mat. Tumble dry on a low heat setting or allow to dry naturally, lay flat.

Large mats are heavy when wet and we recommend when washing in a domestic machine you check the load limit on your machine.

Never place your Turtle Mat on a damp floor and lift and launder your mat regularly to maintain its best absorbency.

PROPERTIES

- Instantly traps dirt, dust and moisture
- Machine washable at 40°C
- Anti-slip rubber backing
- Non-damaging, anti-stain backings
- Cutting-edge cotton and micro fibre blend
- NFSI-Certified
- Tumble dry safe
- Made from recycled materials
- PVC Free
- Made in Europe
- Manufactured in accordance with ISO 14001:2015
- Guaranteed for 5 years
